Regarding Sanction of allowances
to Presidents and Vice Presidents of Town
Municipalities -

1) At present, the presidents of Town
Municipal Councils are corresponding with Govt
direct and submit orders of Govt on
matters which are very simple. There are
more than 100 Municipalities and direct
correspondence with government has
increased the work in the Municipal
Branch considerably and consequently
all the files have to be submitted to the
Secretary and then to Govt for orders. This
has resulted in many cases to ignore
the Deputy Commr and the Commissioners
for L & C. As these officers are primarily
responsible for the better and efficient
working of the Municipalities, it is desirable
that the matters of routine nature are attended
to and disposed of by them.

2) Now, according to the Govt order
dated 9-9-49, sanction of allowances to
the Presidents and Vice Presidents of the
Municipalities is being governed on the basis
of income to Mhs. A copy of the G.O. is
enclosed for kind perusal. According to the
G.O. the Pres and V Pres of Mhs whose average
annual income in the past 3 years is Rs. 1,00,000/-
and above may be paid Rs. 100 and Rs. 50 p.m.

and Presidents & V.Ps of those municipalities
whose average annual income is Rs 50,000/-
and above, Rs 60 and 30 p m each in
other cases where the average income
Rs 30,000/- and above, Rs 40 and 20 each.
The income is definitely stated and
the maximum rate ~~also~~ is fixed. Therefore,
all these cases need not come to Govt.

3) Govt ~~may~~ may delegate all or
any of its powers under the M.H. Act to
any officer subordinate to it (vide Section
210 of the Act). Therefore it seems
that the power of sanctioning allowances
to the Pts & V.Ps of those Hls whose
average income is Rs 1,00,000/- & above is
retained by Govt and in respect of
other Hls, the power is delegated to
the Commissioner & S.E. This will reduce
the correspondence with the Govt and
will also enable the Comr to get into
touch with the activities of the Hls more
and more. If the suggestion is approved,
the Comr will also be requested to
~~get~~ calculate the average income during
any year after deducting the Govt grants
and loans. The suggestion given above
is for consideration and orders.

~~Payment of allowances~~, it seems to be
better if allowances of District Headquarters
Municipalities are sanctioned by Govt
and the allowances to P.T. & P.T.s, other
M.L.s are sanctioned by the Comm.
There is very heavy correspondence
~~now~~ in the branch and on
very small matters, Recommendations
are being received. Consequently
there is no scope to devote more
attention to more important questions
like the immediate action to be taken
to improve the water supply system in the
State M.L.s in the State etc. Separate
file is being worked up to prevent
the direct correspondence of M.L.s
with Govt and this will be submitted within
3 or 4 days. If agreed, this will also be
clubbed with that, as this Recommendation
forms part of general action that is being
worked up.

The above G.O. enforcing the T.M. Cts to have direct Correspondence with Government were issued under the Provisions of the T.M. Act 9/1933. When there were two kinds of Municipal Councils i.e. T.M.Cs and minor Municipal Councils the distinction being based upon the boundaries of the Municipality. The minor M.Cs however were not permitted to correspond direct with the Government.

Since the introduction of the T.M. Act 9/1951, all M.Cs are treated as T.M.Cs. Now there are (55 Town + 51 minor) 106 T.M. Cts at present. All of them are having elected an official President & Vice-Presidents.

The point for consideration is whether the T.M.Cs may have direct Correspondence with the Government as before. In order to avoid delay in transmission, the direct Correspondence was permitted as in matters of importance but D.C.s were invariably consulted, as they reported the Unit Officer.

Under Section 23 (14) of the Mysore Town Municipalities Act 1933 the President or Vice President of any Municipal Council who is not a Government Officer may receive from out of Municipal fund such monthly allowance as such Municipal Council may sanction from time to time with the approval of Government. Applications from the Municipal Councils in this behalf are being accordingly sanctioned on merits as and when received. But no maximum scale based on the annual income has been so far prescribed in this behalf for the guidance of these local bodies. 1	Municipalities whose average annual income in the past three years is Rs 1 00 000 and above	100	per mensem	50	per mensem

The consensus of opinion is that there is need for a further devolution of powers. Government agree with this view and under Section 53 of the Mysore Minor Municipalities Act 1933 and in supersession of all previous orders are pleased to invest the Deputy Commissioners with the power to sanction the following items of expenditure incurred by Minor Municipalities in their districts out of their funds subject to the restrictions conditions and limitations prescribed —

Though clause (h) of the second of the Government orders read above authorises the Town Municipal Councils to incur expenditure on contributions up to Rs 100 in each case to conferences and movements whose objects include among others education it cannot be said that this item can be brought under such a category to be specifically covered by the said Government Order. ORDER No L 3046 102 —Ml 151 48 1 DATED BANGALORE
THE 22ND SEPTEMBER 1948

The delegation of powers referred to in the Government Order read above was made over 16 years ago and since then there has been a large development of Municipal activity all over the State. The powers now exercised by the Deputy Commissioners are found in practice to be very inadequate in relation to the present day standards and Government sanction is being sought in a very large number of cases of comparatively minor importance causing avoidable delay. While there was a proposal from some of the Deputy Commissioners that the power exercised by them in respect of Municipal expenditure should be enlarged the view that the Town Municipal Councils should themselves be made more responsible than at present in regard to expenditure from out of their funds has been pressed on the attention of Government. Government also feel that with the steady growth of democratic institutions in the State and the education of public opinion in Civic consciousness it is but right that the Town Municipal Councils should be entrusted with responsibilities and powers in respect of Municipal finance and that this step will tend to make them take a livelier and more abiding interest in Municipal Administration. In this view under Section 183 of the Mysore Town Municipalities Act 1930 and in supersession of all previous orders Government are pleased to invest the Town Municipal Councils with the power to incur the following items of expenditure out of their funds subject to the restrictions conditions and limitations prescribed —

(a) Expenditure not exceeding Rs 100 a month for the employment of temporary establishment for a period not exceeding one year on the whole subject to the conditions that when the cost is to be met out of the closing balance the prescribed minimum balance shall be kept up

(b) Expenditure for journey performed outside the limits of the Municipality by the Municipal Employees within the State in the interest of the Municipality

(e) Purchase of stationery upto Rs 100 per year in excess of the expenditure which the Municipal Councils are already empowered to incur under this head

ORDER NO L 7131-89/ML 151-48-4 DATED 30TH DECEMBER 1948

The Town and Minor Municipal Council have been incurring expenditure in connection with the celebration of functions like the Independence Day Gandhi Jayanthi etc which on account of their importance to the nation are likely to be a recurring feature in the future years In the absence of a specific provision in the Municipalities Act - both Town and Minor - sanction of Government is sought for each time such an expenditure is incurred As in almost all such cases the sanction is usually accorded as a matter of course it is considered that much avoidable correspondence would be saved if powers are given to the local authorities themselves to incur this expenditure within a prescribed maximum Government are therefore pleased to direct that the Town Municipal Councils and the Minor Municipal Councils with the approval of the Deputy Commissioner may be permitted to incur expenditure up to a maximum of Rs 75 for each function in connection with the celebration of national functions such as Independence Day Gandhi Jayanthi etc subject to the resolution of the Municipal Council by a three-fourths majority Sanction of Government should be obtained for any excess expenditure incurred above the prescribed limit

Date / Bangalore 12th September 1952

OFFICIAL MEMORANDUM

Under Section 58 (0) of the Mysore Town Municipalities Act 1951 (Mysore Act XXII of 1951) the Town Municipal Councils are competent to undertake and make provision for any public reception ceremony or entertainment or exhibition with the previous sanction of the Deputy Commissioner of the District. Instances have come to the notice of Government wherein expenditure in this behalf is being incurred without due regard to the financial rules viz that the expenditure should be covered by the Budget Provision or met by re-appropriation of funds without encroaching on the prescribed minimum balance and that where these conditions are not satisfied sanction of Government has to be obtained for the expenditure. The Deputy Commissioners are requested to strictly follow these principles and to scrutinise the proposals before sanction.

It is also necessary to keep down such expenditure and Government therefore direct that the maximum expenditure under this head be limited to Rs 500 only for each such function as against Rs 100 fixed by Official Memorandum No L 6077-85/11 18 -35-2 dated the 11/12th February 1936. In rare cases where this limit is likely to be exceeded the previous sanction of Government should be invariably obtained.

Government Order No L 250-9/ML 44-18-1 dated the 3rd July 1918 laying down instructions in the matter of the correspondence by or with the municipal Councils

2 Government Order No L 2078-35/ML 78-26-1 dated the 16th ^{September} October 1926 authorising the submission direct to Government by the Presidents of the town municipal Councils in very urgent cases, copies of their communications, simultaneously with their transmission through the Deputy Commissioners of Districts and stating that the above instructions are in addition to those already issued in Government Order No L 250-9/ML 44-18-1 dated 3rd July 1918.

3 Government Order No L 293-303/ML 176-47-1 dated the 8th July 1948 authorising, in modification of the previous procedure, the Presidents of Town Municipalities in the State to correspond direct with the Government and to send simultaneously a copy of the communication to the Deputy Commissioners of the Districts concerned etc

4 Government Order No L 5580-5650/ML 151-48-3 dated the 24th November 1948 issuing a clarification on the Government Order dated 8th July 1948 read above regarding the procedure to be adopted in respect of direct correspondence by the Town Municipal Councils

5 Letter No D3 28/52-3 dated 5th August 1952 from the Deputy Commissioner, Mysore District, soliciting instructions in the matter of carrying on correspondence with the Government by the Presidents of Town Municipal Councils reconstituted under the

Town Municipalities Act, 1951

ORDER No L 14887-15002

DATED, RA GALORE, THE 26/11/52

In the Government Order dated 8th Jul 1948, read above, correspondence direct with Government by the Presidents of Town Municipalities in the State was authorised to avoid delay in the transmission of the proposals through the Deputy Commissioners of Districts and copies of such communications were required to be sent simultaneously to the Deputy Commissioners of the Districts concerned to enable them to exercise general supervision and control over the administration of the Town Municipalities within their jurisdiction

2 This direct correspondence between Government and Town Municipal Councils has not ^{only} (merely) increased the work, but has not also given any advantage to the Municipalities, as greater delay is caused, in bringing matters to disposal, owing to the fact that further information, reports and other details have to be called for from the Deputy Commissioners to complete the records. Consequent on the appointment of a Commissioner for Local Self-Government in Government Order No L 3/64-3963/ML 129-51-1 dated 19th July 1951 and in Government Order No L 116-67/V P 49-52-1 dated ~~the 21st October 1952~~ and ^{authorising} in Official Memorandum No C S 8963-9062/Misc 122-51-1 dated 20th December 1951 to exercise the powers referred to annexure I to Government Order No C S 18629-18728/C 29-50-3 dated 28th March 1951, there are two offices in between the Government and the Town Municipal Councils i.e., Office of the Commissioner for Local Self-Government and the Deputy Commissioner. These

two offices will be ~~agreed~~ ^{of the Picture} out of view, if the direct correspondence is continued. It is also necessary that these offices are kept informed so as to exercise general supervision and control over the administration of Town Municipalities and give ^{advise in matters of H.I. administration}

Therefore the direct correspondence between the Town Municipal Councils and the Government permitted in Government Order dated 3-7-1948 ^{as 24/11/48} read above, ^{has to}

~~repeated~~ be reduced as far as possible ^{so that the cases that come to Govt may be worked up by the D.C. & Com. and in this manner, steps are taken to enable Govt to manage}

^{Under Section 208(2)(c) of the Town Municipalities Act of 1951, Government are pleased to direct that correspondence from the Presidents of Town Municipal Councils}

^{shall be forwarded to the Deputy Commissioner concerned} and in turn, the Deputy Commissioner ^{after sending many address} to the Commissioner for Local Self-Government in Mysore, Bangalore. The

Commissioner for Local Self-Government will forward the correspondence to the Government ^{for final order in matters which are beyond his power to sanction}

^{if} Correspondence with ^{other} Officers of Government and other Departments will, however, be carried on ^{by the President direct} through the Deputy Commissioners of the Districts concerned

6 On receipt of any reference from the Commissioner for Local Self-Government, Government, if the circumstances of the case so require, refer the matter to the Deputy Commissioner or the President concerned through the Commissioner for Local Self-Government or direct in the interest of expediting the disposal

5 ~~5~~ In very urgent cases, the Presidents of Town Municipal Councils are also authorised to forward direct to Government, copies of communications simultaneously with their transmission through the Deputy Commissioners and the Commissioner for Local Self-

5 Official Memorandum No Cl S 8963 9062—MISC 122 51 1 dated 20th December 1951 authorising the Commissioner for Rural Development and *Ex officio* Commissioner for Local Self Government to exercise the powers referred to in Government Order No CS 18629 18723—CB 9-20 3 dated 28th March 1951

ORDER No L 14771 886—Ml 163 52 3 DATED BANGALORE
THE 26TH NOVEMBER 1952

The appointment of the Commissioner for Local Self Government in Government Order dated 19th July 1951 read above has necessitated the issue of orders defining the powers of the Town Municipal Councils Deputy Commissioners of Districts and the Commissioner for Local Self Government in Mysore for expediting the business of the Municipal administration. The powers delegated to the Deputy Commissioners of Districts under Minor Municipalities Act of 1933 in Government Order dated 22nd September 1948 read above are found to be inadequate owing to the introduction of the Mysore Town Municipalities Act of 1951, by which all Municipal Councils are treated as Town Municipal Councils as against Minor and Town Municipal Councils that were existing prior to 6th July 1951 the date of the introduction of the Mysore Town Municipalities Act 1951

Further Government sanction is being sought in a very large number of cases of comparatively minor importance causing avoidable delay in their disposal. Therefore there is need for a further decentralisation of powers to the Municipal Councils Deputy Commissioners of Districts and Commissioner for Local Self Government with a view to enabling them to shoulder responsibility and discharge the duties in the interest of the Municipal administration as quickly as possible.

Therefore in supersession of the previous orders issued under the Mysore Town Municipalities Act of 1933 and the Minor Municipalities Act of 1933 in this behalf Government are pleased to delegate under Section 210 of the Town Municipalities Act 1951 the amplified powers specified in the Annexure to this Government Order to the several authorities noted therein

Government Order No L 2009—MI 44 18 1 dated the 3rd July 1948 laying down instructions in the matter of the correspondence by or with the Municipal Councils

2 Government Order No L 2078 85—MI 78 26 1 dated the 16th September 1926 authorising the submission direct to Government by the Presidents of the Town Municipal Councils in very urgent cases copies of their communications simultaneously with their transmission through the Deputy Commissioners of Districts and stating that the above instructions are in addition to those already issued in Government Order No L 2009—MI 44 18 1 dated 3rd July 1948

3 Government Order No L 293 303—MI 176 47 1 dated the 8th July 1948 authorising in modification of the previous procedure the Presidents of Town Municipalities in the State to correspond direct with the Government and to send simultaneously a copy of the communication to the Deputy Commissioners of the Districts concerned

4 Government Order No L 5580 5650—MI 151 48 3 dated the 24th November 1948 issuing a clarification on the Government Order dated 8th July 1948 read above regarding the procedure to be adopted in respect of direct correspondence by the Town Municipal Councils

5 Letter No D3 28—52 3 dated 5th August 1952 from the Deputy Commissioner Mysore District soliciting instructions in the matter of carrying on correspondence with the Government by the Presidents of Town Municipal Councils reconstituted under the Town Municipalities Act 1951

ORDER No L 14887 15002—ML 163 52 4 DATED BANGALORE
THE 26TH NOVEMBER 1952

In the Government Order dated 8th July 1948 read above correspondence direct with Government by the Presidents of Town Municipalities in the State was authorised to avoid delay in the transmission of the proposals through the Deputy Commissioners of Districts and copies of such communications were required to be sent simultaneously to the Deputy Commissioners of the Districts concerned to enable them to exercise general supervision and control over the administration of the Town Municipalities within their jurisdiction

2 This direct correspondence between Government and Town Municipal Councils has not only increased the work but has not also given any advantage to the Municipalities as greater delay is caused in bringing matters to disposal owing to the fact that further information reports and other details have to be called for from the Deputy Commissioners to complete the records. Consequent on the appointment of a Commissioner for Local Self Government in Government Order No L 3764 3963—MI 129 51 1 dated 19th July 1951 authorising in Official Memorandum No Ch S 8963 9062—Misc 127 51 1 dated 20th December 1951 to exercise the powers referred to in Annexure I to Government Order No C S 18629 728—C B 29 50 3 dated 28th March 1951 there are two offices in between the Government and the Town Municipal Councils *i.e.* Office of the Commissioner for Local Self Government and the Deputy Commissioner. Those two offices will be out of the picture if the direct correspondence is continued. It is also necessary that these offices are kept informed so as to exercise general supervision and control over the administration of Town Municipalities and give advice in matters of Municipal administration

3 Therefore the direct correspondence between the Town Municipal Councils and the Government permitted in Government Orders dated 8th July 1948 and 24th November 1948 read above has to be reduced as far as possible so that the

No L 14887 15002—ML 163 52 4 DATED 26TH NOVEMBER 1952

cases that come to Government may be worked up by the Deputy Commissioner and the Commissioner for Local Self Government in Mysore in preliminary stages so as to enable Government to pass orders early. Under Section 203 (2) (I) of the Town Municipalities Act of 1951 Government are pleased to direct that correspondence from the Presidents of Town Municipal Councils shall be forwarded to the Deputy Commissioner concerned in the first instance and in turn the Deputy Commissioner after scrutiny may address the Commissioner for Local Self Government in Mysore Bangalore. The Commissioner for Local Self Government will forward the correspondence to the Government for final orders in matters which are beyond his powers of sanction.

4 Correspondence with other Officers of Government will however be carried on by the Presidents direct.

5 In very urgent cases the Presidents of Town Municipal Councils are also authorised to forward direct to Government copies of communications simultaneously with their transmission through the Deputy Commissioners and the Commissioner for Local Self Government.

6 The officers concerned are requested to avoid delay in examining the proposals and their transmission to Government in the interest of quick and efficient administration.
